

REMARKS

Applicants submit herewith a Replacement Figure 5 for USSN 09/757,415, for which a Notice of Allowance was received on March 14, 2005, and for which the Issue Fee was paid on June 1, 2005.

Applicants' representative would like to call to Mr. Nhan Tang's attention the fact that Formal Colored Drawings were submitted with a Petition under 37 C.F.R. §§ 1.84 (a)(2) and (b)(2) on December 13, 2004 and were received at the patent office, as demonstrated by a copy of the return postcard, enclosed herewith in support of this. Furthermore, Applicants' representative called Examiner James Martinell on August 8, 2006 to confirm that the colored drawings were received and that the Petition was granted. Examiner Martinell confirmed that the colored drawings were received and that the petition was granted. Furthermore, Examiner Martinell noted that the formal colored drawings would be found in an artifacts folder and that Mr. Nhan Tang should search the artifacts folder for the formal colored drawings.

In addition, since a replacement Figure 5 (black and white) was not submitted with the colored drawings, it is enclosed herewith to be included with the colored Formal Drawings submitted on December 13, 2004. Applicants' representative respectfully requests that replacement Figure 5 be entered into the present file and requests that Mr. Nhan Tang should search the artifacts folder for the three sets of colored drawings numbered 1-4 and 6, submitted on December 13, 2004.

Fees

No fees are believe to be necessitated by the foregoing response. However, if this is in error, authorization is hereby given to charge Deposit Account No. 11-1153 for any underpayment, or credit any overages.

Conclusion

Applicants believe that the foregoing submission of replacement Figure 5 should place the application in condition for publication. If the three sets of Formal Colored Drawings submitted on December 13, 2004, for figures 1-4 and 6 cannot be located in the artifacts folder, as suggested by Examiner Martinell, Mr. Nhan Tang is invited to telephone the undersigned at (201) 487-5800, ext. 118, to effect a resolution.

Respectfully submitted,

Veronica Mallon, Ph.D.
Agent for Applicant(s)
